

VANDERBILT UNIVERSITY MEDICAL CENTER
Division of Continuing Medical Education
Agreement to Exhibit

Both parties agree to abide by all requirements of the ACCME's Accreditation Requirements, the ACCME Standards for Commercial Support, and the VUMC Conflict of Interest and Commitment Policy. Specifically:

Exhibits will be allowed off campus only and should be educational in nature.

Educational materials that might be made available to course participants include information about new medical equipment and/or devices, clinical trials investigating drugs relevant to the topic of the course, and scientific efficacy studies. The materials should be free of company logos, if possible. Special effects such as flashing lights and audio enhancements will not be permitted.

The distribution of drug and other samples is not permitted. Personal gifts from health care industry representatives, regardless of the nature or value of the gift, shall not be offered or made available to participants at educational activities provided by Vanderbilt; this includes, but is not limited to, pens, notepads, coffee mugs, key chains, and all other marketing items.

Distribution of items reportable under the Physician Payments Sunshine Act is strictly prohibited.

One representative per exhibit is encouraged, although there are circumstances when two or more representatives may be required. Exhibitors must have no interference with or influence on the educational activity. Exhibitors can attend educational activities as observers only and must refrain from speaking during any portion of the educational activity. Exhibitors' attire may not include company logos while in the education space. They must refrain from distributing any materials in the educational space or anything else that is promotional in nature.

Exhibit space at this CME activity has not and will not be given as a condition of commercial support. An exhibit fee is for purchase of space and shall be paid to the responsible organization, department, or division. Fees may be waived for non-profit, noncommercial exhibitors only. If waived, they must be waived for all non-profit organizations, not just VUMC internal groups.

In the event that a cancellation is made by the exhibitor at any time after the Agreement to Exhibit has been received by the CME office, exhibitor may be liable for 100% of the total exhibit fees and no credit for future activities will be given.

Exhibitor hereby agrees Vanderbilt Health may use Exhibitor's contact information, name, and logo on VUMC's website and on any printed material or other medium in connection with Vanderbilt Health activity.
