

Dear Sponsor,

On behalf of Vanderbilt Ingram Cancer Center, we are honored to formally invite you to participate as a sponsor for the 2026 Stem Cell Transplant Symposium. The symposium is scheduled for August 29, 2026, at 7:30 am in Nashville, TN. The SCT Symposium is a full-day program being curated by Vanderbilt Ingram Cancer Center with an audience of approximately 100 attendees, including physicians, nurse practitioners, and fellows. Our goal is to educate on the advances in Stem Cell Transplant and CAR T cell therapies. We believe that your support will be a valuable addition to our event. Your \$5,000 sponsorship will also provide the opportunity to exhibit, with space provided in the hallway outside the main speaking room.

Please confirm your acceptance by registering at the link below. Thank you in advance for your consideration—we sincerely look forward to hearing from you.
